www.eveningofelegance.net

Mission

Evening of Elegance, Inc. (EoE) was created to foster engagement amongst friends, family and community while supporting the area we call home. We are passionate about sharing our annual event that is not only unique but one which gives back to a local charity in need of our assistance.

EoE's mission: Community is empty without UNITY! We need each other! Over the past years, we have seen darkness in our schools, conflict in our neighborhoods and an overall angst in our daily lives. EoE' s spirit is to provide an opportunity to recognize and celebrate our relationships, our local and family-owned businesses, and the special feel our historic community brings – even if it is only for ONE night!

COVID-19:

EoE is sensitive to the peace of mind and safety of all those who participate. The EoE Board of Directors supports current CDC guidelines. Should modifications of the guidelines impact our event, we will communicate any changes as soon as possible.

Charity of Choice

EoE serves as a platform to showcase a different local charity each year in hopes of educating and creating awareness among the community. We are thrilled to announce EoE's 2023 Charity of Choice!

Veterans Equine Therapeutic Services V.E.T.S.

V.E.T.S. provide a serene place for military veterans to go that provides therapeutic healing through equine-related and educational activities by highly skilled instructors, staff and trained volunteers. V.E.T.S. exists with the goal of providing all of their services at no charge ever to their clients.

Many of their volunteers and staff are veterans themselves and understand the challenges many veterans face reintegrating into domestic life after experiencing the psychological trauma and physical wounds of war or life after service.
