[Event Mission and Charity Overview](#)

**Evening of Elegance Mission:**

Evening of Elegance (EoE) was created to foster engagement amongst friends, family and community while supporting the area we call home. We are passionate about sharing our annual event that is not only unique but one which gives back to a young, local charity in desperate need of our assistance.

EoE's ethos: Community is empty without UNITY! We need each other! Over the past years, we have seen terrors in our schools, hatred brought into our homes and violence contributing to a very anxious way of living. EoE's spirit is to provide an opportunity to recognize and celebrate our relationships, our local, family owned businesses, and the special feel our historic ocean community brings – even if it is only for ONE night!

**EOE 2020 Charity of Choice: Community of Hope**

Evening of Elegance provides a platform to showcase a young, charity each year in hopes of gaining financial support that may otherwise close its doors due to lack of funding. This year, we are thrilled to announce the Community of Hope is the EoE 2020s Charity of Choice!

***Community of Hope***

<https://4coh.com/>

Community of Hope (CoH) is a non-for-profit organization that was established 8 years ago and has since supported over 250 women affected by addiction, abuse, homelessness and or incarceration. In strong collaboration with Community Speaks Out (CSO), our 2019 Charity of Choice and other recovery organizations, CoH needs our help to provide women the opportunity to reclaim, rebuild and restore their broken lives.

Did you know:

- Over 40 % of the homeless population are women
- Women without housing face unique health challenges and outcomes that require specific types of care and support.
- Domestic and sexual violence are the leading causes of homelessness among women.
- Lack of rehabilitation plans and the treatment of incarcerated women as an afterthought has led to prison populations to either grow with a potential of outpacing the growth of men's incarcerated population.

Join EoE and CoH to create awareness, remove stigmas and re-build broken lives!
